FEATURES

- International norms, In conformity with CE Norms and produced under ISO 9001: 2008 QMS
- All components are made of ROHS compliant and NSF Certificate Human Health Friendly production materials
- 32-bit High Performance Microprocessor Controlled (supporting Parallel protocol Optional)
- Payment Systems (Optional)
- Easy programming with User Friendly English Menu Languages
- Easy programming with User Friendly Large Graphical LCD
- Capacitive Touch Keypad with 8 Selections
- 8 different instant hot beverage selection
- 8 seconds dispense time
- Consecutive service of 50 cups without heat loss /350 cups/hour Serving capacity
- 3 - 4 Product Canisters Optional
- 2 High performance Mixers with Slide in Type Motor Assembly enabling easy maintenance and cleaning (3 Optional)
- 23 different hot beverage selection
- Professional dosing
- Canister designation
- Hot Water Dispensing Feature with Direct Hot Water Output (Boiler to Cup No Remainder Taste/Smell)
- High Glass Compartment (15cm)
- Drip Tray with sensor (active-deactivate selection)
- Temperature and limit settings
- Magnet filter against lime
- Preset timetable Power Saving Mode with programmable for OFF/ ON on the requested time
- Switch Controlled Menu Entry with 4 Digit PIN Code
- High storage capacity EEPROM enabling storage of Settings and Statistics, 32 Mbit Flash memory for keeping LOG info
- Remote Firmware Update Availability with Bootloader (via Hand Held terminal or via PC)
- Easy program installation with a USB connection, cloning (dosage adjustment), software update, take logs, statistics
- BITE (Built-in Test Equipment) automatically Fixing problems and/or Warning Messages on LCD and Collecting data on erroneous sales
- LED illuminated high quality advertisement space
- Large Advertisement Space on Sides
- Protected with Two Fuses and Door Open Switch Protection
- Cup Counter, analyze statistics and advanced reports by USB Technology
- Easy and fast replacement of boiler
- Front discharge of boiler
- Long Lasting High Quality silent operation Water Pump drawing water from the water tank
- Main water connection availability
- 4,5 Liters Boiler, a special thermostat protected 220V 1800W immersion heater with proper insulation proving long life span
- Touch panel selection (adjustable sensitivity)
- Special design against caking at canisters
- Automatic Function Test
- Advanced error indication
- Easy loading and carrying
